Bishop Timothy McDonnell
Diocese of Springfield
65 Elliot St
Springfield, MA 01105

Dear Bishop McDonnell:

Its been one month since our meeting with you in Lenox, at which you promised Mr. Jette would have an opportunity to share his financial report with the comptroller of the diocese. We would appreciate it very much if you would follow-up and facilitate this meeting.

Recently, on Sunday October 12, 2008, it was the first of three Mass head counts in Adams and St. Stanislaus had approximately 600 people in attendance. These are parishioners who wish to be counted and voice their support of our beloved St. Stanislaus Kostka. We are now approximately 1/3 of the way toward our slated closing date of December 28, 2008 and we hope the diocesan review of our case is progressing favorably.

Thank you for your time and attention to this matter. As always, you are in my thoughts and prayers.

Sincerely yours in Christ,

Laurie Haas
